# The Winter Eyeshadow Palettes To Try If You Don't Like Lots Of Glitter

## Edge of Reality Fully Recyclable Eyeshadow Palette

\$45 | KVD VEGAN BEAUTY

Aurelie Payen, a Paris-based makeup artist who works with Lily Collins and Reese Witherspoon, is loving KVD Vegan Beauty's new Edge of Reality Fully Recyclable Eyeshadow Palette. "It's a vegan brand and [has] high pigment that lasts all day," she says.

## Eye-Conic Multi-Finish Eye Palette

\$49.50 | MARC JACOBS

Payen is gravitating towards Marc Jacobs' Eye-Conic Multi-Finish Eye Palette because she adores the cherry hues in the palette. And the retro vintage packaging doesn't hurt, either.

## 5 Couleurs Couture Eyeshadow Palette in Denim

\$62 | DIOR

Payen says that Dior's 5 Couleurs Couture Eyeshadow Palette in Denim features amazing shades, and the luxury brand is a classic in her kit.

## Sunrise Eyeshadow Palette

\$62 | NATASHA DENONA

Payen loves that Natasha Denona's Sunrise Eyeshadow Palette has both matte and iridescent shades featured in a wide variety of colors.
