I may have binged the entire second season of *Emily in Paris* weeks ago (right when it came out and maybe, just *maybe*, all in one sitting), but that doesn't mean I'm not still flying high on the show's delectable spread of beauty looks. Every single episode is an obvious feast for hungry eyes in terms of the outfits and fashion, but the screenshot-worthy hairstyles and makeup moments are still living in my brain (and inspiration boards) rent-free.

So when I was presented with the opportunity to chat with the show's on-set hairstylist, Mike Desir, and makeup artist, Aurélie Payen, about their treasure trove of beauty staples, I couldn't have accepted the offer more quickly. Curious to see which skincare, makeup, and hair elixirs the pros behind all of your fave *Emily in Paris* beauty moments swear by? Keep scrolling!

**The skincare staples:**

**Payot Brume Éclat Anti-Pollution Vivifying Mist (\$280)**

"I start my daily skincare ritual with a misting spray—I love the fact that it helps 'wake up' my skin, if you will. I use the Payot Brume Éclat—the smell is divine—and then I mix a few drops of serum with my moisturizer."

**Lancôme Advanced Génifique Youth Activating Concentrate Anti-Aging Face Serum (\$78)**

"I use Lancôme's Advanced Génifique Youth-Activating Concentrate Serum daily to help even out my complexion and add some extra luminosity to my skin. It is ideal as a complement to my day cream."

SHOP

**Payot My Payot New Glow— 10 Day Cure Radiance Boost Vitamin C Treatment (\$36)**

"As a treatment, I use My Payot New Glow because it is the most effective vitamin C serum I have tested. A 10-day course of treatment every three months gives you a fresh, glowing complexion."

SHOP

**Sisley Paris Black Rose Cream Mask (\$172)**

"I love to do a mask once a week to deeply hydrate my skin and boost my complexion. My favorites are the Sisley Paris Black Rose Cream Mask or the Carita Masque Biologique."

SHOP

**Talika** Lipocils Expert - Collector's Cils (\$60)

"Regular makeup removal tends to weaken my lashes, so I use Talika's Lipocils Expert Collector's Cils regularly because it's an effective treatment for lash growth and keeps them thick and full. (This is super important when you apply your mascara every day, especially if you use waterproof!)"

SHOP

**Talika** Bio Enzymes Mask (\$11)

"Every weekend, after a busy week, my little pleasure is to pamper my skin with masks and patches. Ten minutes is all it takes to achieve glowing, beautifully moisturized skin."

SHOP

**Collagena** Anti-Wrinkles Eye Contour Care (\$45)

"I love the combination of Talika's Bio Enzymes Hydrating Sheet Mask and Collagena's Eye Patches."

### The makeup staples:

SHOP

**Sisley Paris** Phyto-Teint Nude Oil-Free Foundation (\$95)

"I like to work on my complexion with a foundation that is light and fluid but retains its coverage, so I use Sisley Paris's Phyto-Teint Nude Foundation. It's very light, almost like a second skin, and hides imperfections in the blink of an eye for a fresh and natural complexion."

SHOP

**Chanel** N°1 De Chanel Lip and Cheek Balm (\$45)

"Once I've perfected my complexion, I use my fingertips to apply N°1 De Chanel Lip and Cheek Balm. Melty and creamy, this balm brings a lot of comfort to the lips, and as it is two in one, there's no need for blush!"

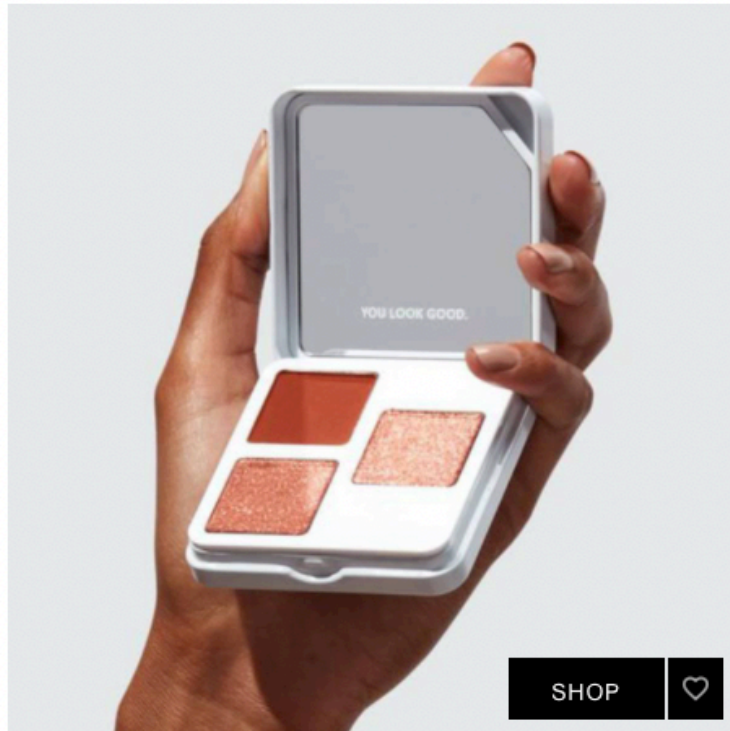

SHOP

**Guerlain** Terracotta Sunkissed Natural Bronzer Powder (\$56)

"If I want to bring a little sunshine to my complexion, there's nothing like Guerlain's must-have Terracotta Sun-Kissed Natural Bronzer!"

**Glossier** Monochromes Essential Eyeshadow Trio (\$22)

"For natural eye makeup, I opt for the 1944 Paris's Chic La Palette La Rêveuse with colors like champagne, dark matte, bright gold, and soft matte brown roses."

*(Ed. note: 1944 Paris isn't available in the U.S., so we recommend the palette above for a similar effect.)*

**Lancôme** Monsieur Big Mascara (\$27)

"That said, sometimes a healthy swipe of black mascara is enough. I like Monsieur Big from Lancôme. It's iconic, and it really makes my eyes pop."

SHOP

**La Bouche Rouge Paris** The Brown Nudes Pink Lipstick Set (\$163)

"For a 'Rendez-vous,' I will play with the colors of the lips, and for that, the lipsticks from La Bouche Rouge, Paris are perfect! There are several shades and textures that are easy to mix and last all night long."
